

Bird-Out™

Aromatic Bird Repellent

KIT INSTALLATION INSTRUCTIONS

Bird-Out™ Aromatic Bird Repellent is a fast, trouble-free solution for keeping pest birds away from patios, decks, garages, warehouses and other outdoor dining areas. Each easy-to-use cartridge contains 50g of Methyl Anthranilate, a grape seed extract proven to repel birds. Just snap the cartridge into the dispenser, give it a twist, and enjoy up to 60 days of effortless protection.

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING. USE ONLY AS DIRECTED ON THE LABEL.

Use this product to repel birds from small areas where birds roost such as balconies, decks, patios, garages, tool sheds, warehouses, barns, building ledges, outdoor dining, window sills, backyards, and other outdoor areas. Only for use in Bird•B•Gone® Bird-Out™ dispensers. Only for outdoor use and in buildings with openings that permit bird access.

BEFORE FIRST USE

OPENING THE DISPENSER

To open the Bird-Out Dispenser for the first time, locate the button at the base of the dispenser, and press firmly on the button while pulling the dispenser cover open.

SCREWING TO THE WALL

If screwing the dispenser directly to the wall, insert screws into the holes in the back of the dispenser. The mounting plate is not needed.

USING THE MOUNTING PLATE

The supplied mounting plate can be used if sticking the dispenser to the wall. Align the mounting plate teeth to the perforations in the back of the dispenser.

To release the mounting plate, open the dispenser, locate the small rectangle orifice, and push the lip of the mounting plate away with a pointy object like a pen.

EACH BIRD-OUT KIT COMES WITH 2 SCREWS, 2 DRY-WALL ANCHORS, AND A KEY TO LOCK THE DISPENSER.

CAUTION: Causes moderate eye irritation. Harmful if absorbed through skin. Avoid contact with skin, eyes, and clothing. Handlers must wear waterproof gloves. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

1. MOUNT THE DISPENSER IN DESIRED LOCATION

Place the Bird•B•Gone® Bird-Out™ dispenser in the area where pest birds are present. Choose an area with active airflow for best results.

Use the adhesive foam pad plate or screw the dispenser directly to the wall.

Each Bird-Out kit comes with 2 screws, 2 dry-wall anchors, and a key to lock the dispenser.

2. ACTIVATE CARTRIDGE

To activate cartridge, twist clockwise (right), one quarter of a turn until you hear a CLICK.

The click indicates the unit is sealed. If it does not seal leaking may occur. DO NOT turn counterclockwise. Handle with care.

3. INSERT CARTRIDGE INTO DISPENSER

Press the button at the base of the dispenser to open the cover.

Place the activated cartridge on the base of the dispenser until it snaps. Lastly, close the cover.

If desired, lock the dispenser with the key provided.

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Use only as directed on label. This product cannot be applied in areas when non-target birds or Threatened or Endangered Birds may be present. Do not apply directly to water, such as lakes, reservoirs, ponds, streams and canals; however, overspray to water bodies can be expected with proper use of this product. This product is currently going through EPA registration and may not be available for immediate sale in all states.
