HAWK

The ONLY Hawk Decoy in the World!

The **Bird-B-Gone Hawk™** is a life-like red-tailed hawk decoy used to scare birds from open areas.

- ▶ More Effective Than Owl Decoys!
- ▶ Meant For Outdoor Use!

Red Tailed Hawks are known for hunting during the day, while most owl species hunt at night when birds are asleep. This makes the hawk a more identifiable predator to birds. When birds see the decoy, they will want to avoid the area!

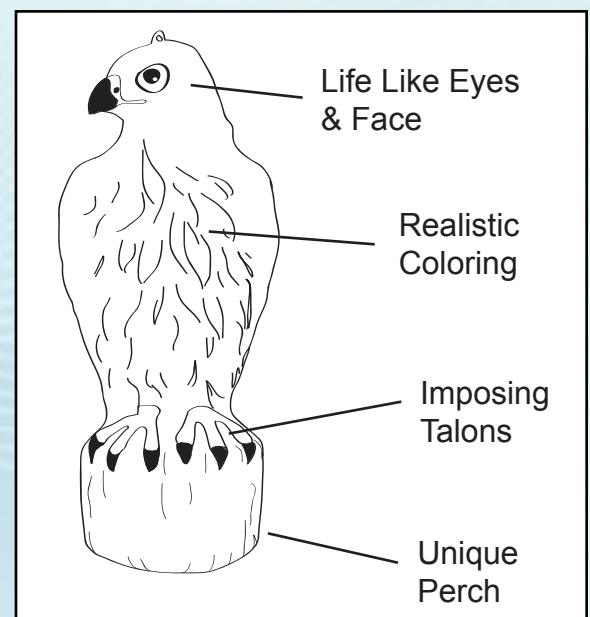

Low Cost Solution!
